

Bus Map for Chippewa Nature Center

 Stop Sign

 Blinking Traffic Light

Bus Parking: Please do not block parking spots in our main parking lot as we have many preschool parents coming and going throughout the day. Also, please turn off your engine—it helps keep the air fresh for kids and critters.

Free coffee and hot chocolate are available to bus drivers in our Visitor Center. We also have snack and soda vending machines as well as comfortable seating, an Ecosystem Gallery and a view of the Pine River for you to enjoy while you wait for your group.
